

## Mission

Our name, "Saint Andrew" was taken from the apostle Andrew, because we look for "Peters" to serve, to love and to preach the name of our Lord Jesus Christ more, and even better than ourselves. **fUc\ n 1.40-42L**

## Objective

To have an evangelized and evangelizing Church, that evangelizes with great power, with the strength of the Gospel and with the parresia of the Holy Spirit.

## Our Dream

To have a school of evangelization in each parish of the Catholic Church

## CALL FROM POPE JOHN PAUL II

New Evangelization;  
New in its fervor, new in its methods,  
new in its expression.

The Church lives to evangelize:  
Paul VI. E.N 14.

The command of Jesus Christ to His disciples "Go out to the whole world; proclaim the Gospel to all creation" has transformed into "Go and Evangelize the Baptized." But even more so into "Go and evangelize the Ordained" because many of them are only reporters and not witnesses of having lived their salvation experience. The

Churches' drama is not that they do not evangelize, but that those who have not lived their own Pentecost or their Damascus; personal encounter with the risen Jesus, are the ones who try to do it. The pedagogy of faith has a journey that we cannot betray; first thing is first, first the Kerygmatic Announcement of the Good News, and then, only then, Catechesis. The New evangelization is not a concept, but an urgent action that we have to undertake. Evangelic-Action the Gospel in Action or an Evangelic Action.

*Woe to me if I do not preach the Gospel;*  
**1 Corinthians 9:16**

## Multiplier factor

As for you, my dear son, take strength from the grace which is in Christ Jesus. Pass on to reliable people what you have heard from me through many witnesses so that they in turn will be able to teach others. f2 Tim 2.1-2L

For I see no reason to be ashamed of the ; ospel; it is God's power for the salvation of everyone who has faith -- Jews first, but Greeks as well-- fRomans 1.16L

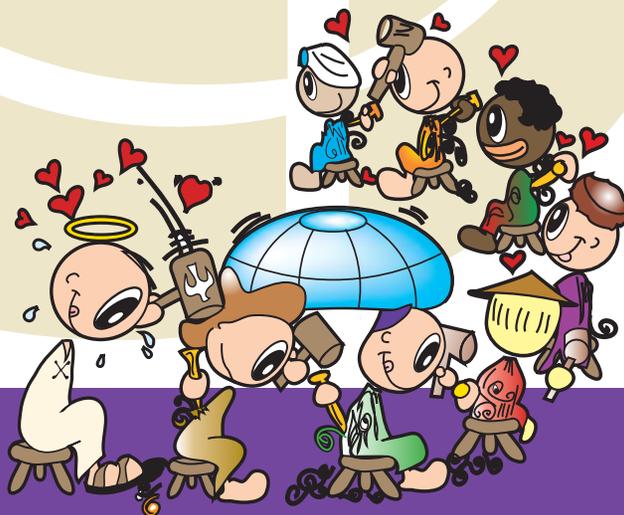

# New Methodology

The Ôhurch does not fail because the message it proclaims, but it can fail because of the way it proclaims it.

If you want a simple but effective method to evangelize, our Active-Participatory methodology is based on six pedagogical principles:

## Pedagogical Principles

- 1 **Paul's Theological Principle**  
I planted, Apollo watered and God made it grow (1^Cor 3K6).
- 2 **Jesus' 9vangelical Principle**  
"Learn" from me - Jesus is as much Teacher as the teaching.
- 3 **Philosophical (epistemological) Principle**  
Nothing is in the understanding that was not earlier in the senses
- 4 **Jeremiah's Prophetic Principle**  
No longer shall they teach one another, or say to each other, "Know the Lord," for they shall know me: Qler 31K4 NRSVD
- 5 **Pragmatic Principle**  
New wine in new wineskins: New mentality.
- 6 **Pedagogic Principle**  
Educate from didactics to mathetics.
